Forward

Freeland High School Yearbook has been in existence for 25 years. This year's yearbook staff has chosen to celebrate this event throughout our yearbook. The logo used on the cover and many of the pages was designed especially for this volume. The book title, "Silver Celebration", depicts the 25th anniversary of our yearbook. The theme of the book is carried out by the pictures and page titles.

During these past 25 years, many things at Freeland High School have changed while some have remained the same. The school has moved from one building to another. Some new faces in the staff have appeared, but some old faces remain. Different students have crowded the hallways, yet they somehow never change. The goal to graduate remains the same.

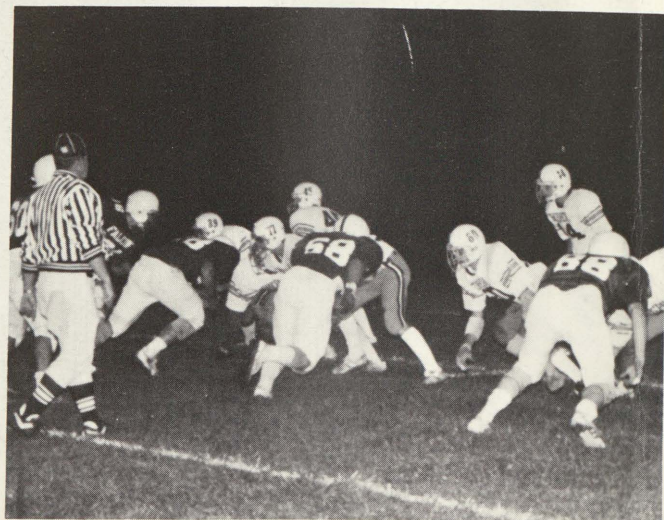

Changes have happened in the past, they are happening in the present, and will continue to happen in the future.

A Crowning Event

Even though the weather was dreary, spirits were high during halftime of the homecoming game. Leslee Swanson relenquished her crown to the new queen, Erin Cramton. The court was then seated in a place of honor to watch the rest of the game.

Spirit Week

This year's Homecoming "Spirit Week" was held Oct. 8-12. "Fun in the Sun Day" had everyone ready for summer — again. "Dress Up Day" allowed us the chance to see each other at our best.

"Green and White Day" found us showing our true colors. And "Nerd Day" let us truly be ourselves. "Powder Puff Day" got the seniors and juniors into gear for the big game. All in all it was a great week!

This year Freeland started the season with a new coach and a new stadium. This year was a learning season. Coach Rich Bell brought a new style of defense and offense to Freeland. Although Freeland had a losing season — 3-6, they lost several close games and had 2 comebacks that came up short. We expect much more in the future!

The 1986-87 J.V. Football team finished the regular season with a record of 4 wins, and 2 losses, with 2 ties. This season was highlighted with many fine performances. The offense scored an average of 17 points a game and the defense allowed only 8 points a game.

J.V. Swings Through Season

Freeland's varsity golfers had an outstanding season. The team record was 11-2 overall and 10-2 in the CML. They finished 2nd in the CML, 2nd in the regionals and 9th in the state. Mark Anderson was voted M.V.G. and Eric Morgan most improved golfer.

Individual honors went to Mark Anderson and Bill Kasper All Conference Team, Eric Morgan honorable mention All Conference and Tim Averill Regional Medalist. The team graduates Mark Anderson, Tim Averill, Bill Kasper and Dick Little.

The J.V.'s team finished with a 6-1 record and they join returning varsity players Eric Morgan, Troy Ignatowski, Chris Swanson, Joel Yates and Jay Reithel to form the nucleus of a fine returning team.

The 1986-87 Lady Falcon hoopsters put up quite a fight this past season, ending up with an even 10-10 regular season record. Their 11th loss came in a close district game played hard to the end. In CML play the Falcons came up with 8 wins and 6 losses putting them 3rd in the league. One of these league wins was against Merrill in which the Falcons scored 72 points which is the most ever scored in a game by a Freeland girls basketball team. They could not have achieved what they did this year without the leadership of Coach Kraycsir and 5 Seniors.

Freeland Junior Varsity Basketball team had a fairly good season this year with a record of 12-8 with losses to Reese, MLS, St. Louis, Merrill and Breckenridge. Freeland lost a heart breaker to St. Louis when in the final seconds of the game St. Louis tipped in a final basket to beat the lady Falcons 40-41. The Falcons scored wins against Bullock Creek, Reese, and Ithaca, and blew Shepard away 29-39. We are proud of our lady Falcons and wish them best of luck next year.

Pom Pon Squad Shows

The Pom Pon squad had a new beginning this year. After having tryouts during the flooding, we selected a 16 member squad with 10 girls being first year members. The combination of talents in dance and gymnastics permitted us to produce very creative and innovative routines. We attended a clinic sponsored by Michigan State, where we had an opportunity to add new stunts to our routines.

Cheerleaders Jump With

The Varsity and J.V. Cheerleaders had two coaches this year. Breand Yancer for football and Lorraine Boyer for basketball. The cheerleaders participated in the Homecoming assembly, by "spiriting" each Varsity player and giving "goodie bags" to each J.V. player. The squads sold mums at the opening game for the new athletic complex. They attended a day long clinic, in Bay City, sponsored by the Michigan State Dance Team. Both squads have worked very hard to support their school and the athletes throughout the year. Let's hear it for the Falcons!

Craig Blower was our only senior runner on the squad of 12 runners. Earning their varsity letters and returning next year for what should be an even better season are:

The F.H.S. wrestling team had an outstanding 1986-1987 season. They had a dual season winning record of 10 wins and 8 losses. The falcons were lead with strong performances by C. Vasold, J. Grasso, M. McCallum, P. Dennis, T. Leiner, M. Yeska, and G. Waterman. They also sent three wrestlers to the state finals, they were C. Vasold, P. Dennis, and T. Leiner. The 1986-87 volleyball season was highly successful. The girls put a new record for matches won with 31. They finished third in the CML, and they reached the semifinals in every tournament they competed in.

This group has been very successful during their careers recording 61 wins over a three year period. The team loses 6 seniors but returns 7 juniors and a good group of sophomores to form a good nucleus for the 87-88 season.

Students choose a field in which they are interested for a career. They interview with prospective employers and must be offered a job. Placement is not guaranteed. Five students participated in the program this year. They worked an average of 15 hours per week while attending school for 4 hours. The program was successful for all involved as students were asked to continue employment in the summer.

Foreign Visitors To Our School

Chiaki Minakata, Dorothy, Myra, and Jim Blackwell.

Chiaki Minakata came to Freeland in July of 1986 from Japan. She came to live with the Blackwells. While she was here, Chiaki was involved in basketball, volleyball, drama club, Symphonic and Jazz Band. She visited Florida, Chicago, Lansing, and she went to Detroit to see Bon Jovi in concert. She made a lot of new friends while she was here. Every one of them will miss her and she'll miss all of them.

Ralph and Marie Foulds, Pam Foulds and Claudia Alves.

Claudia Alves flew in from Brazil in January of 1987. The Foulds family took her in to live with them. Claudia was involved in track while she was here, and she was active in the youth group at Fould's church. She visited Chicago, Lansing, and Florida with her favorite place being Disney World. She is flying out in July, so good-bye Claudia and good luck.

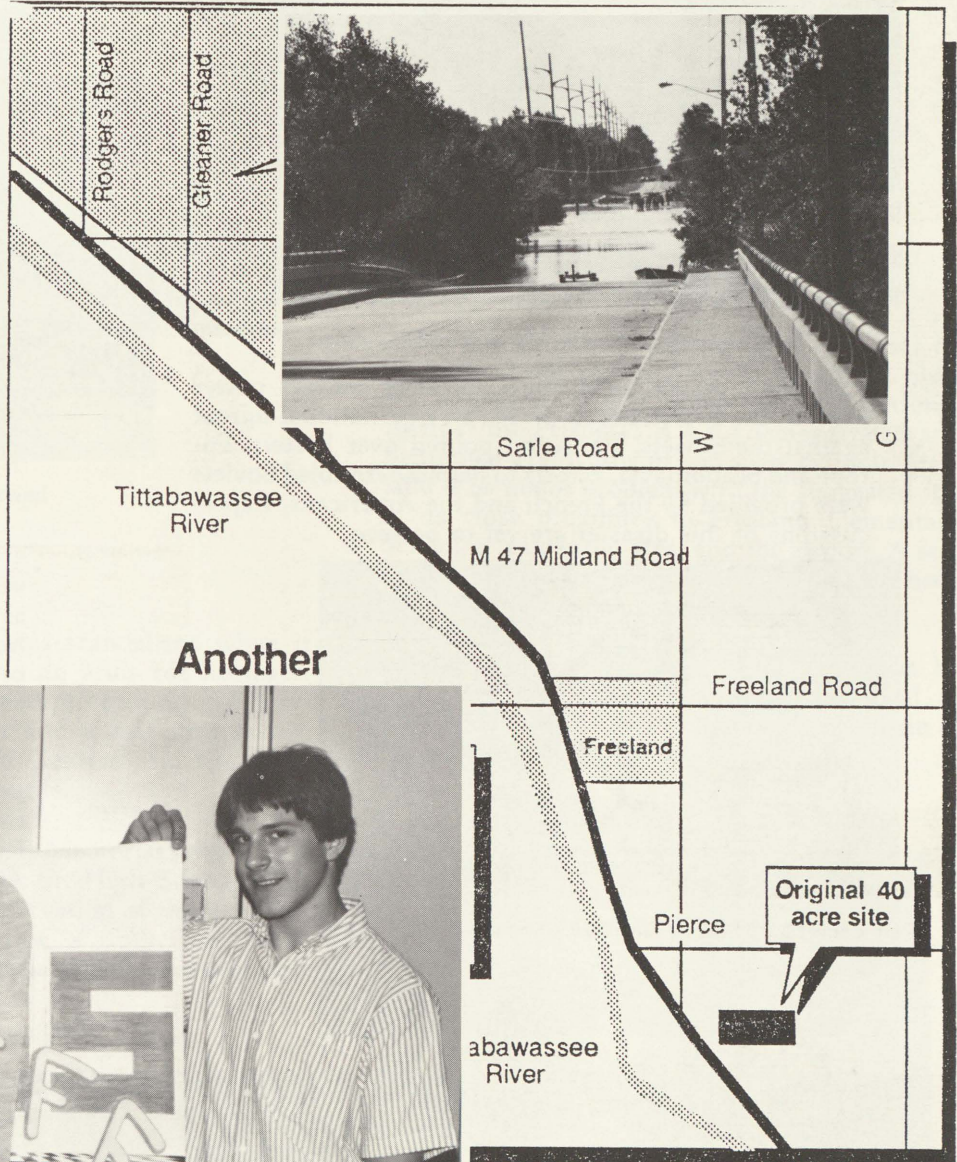

Lawmaker: state all but set to pick Freeland prison site

Driving on Gratiot was hazardous.

And More News

Residents didn't want the prison in their backyard.

The American government was scandalized when it was discovered that it was trading arms for hostages. Later developments indicated corruption in the U.S. government. Throughout the year and a half time frame, money had been given to the Contras and had been placed in unaccounted for accounts.

The Second Annual Policeman's Memorial service took place this spring at Freeland Jr. Sr. High School. This national service was held in observation of those policemen who were killed in the line of duty. This event brought many dignitaries to Freeland and caused quite a stir.

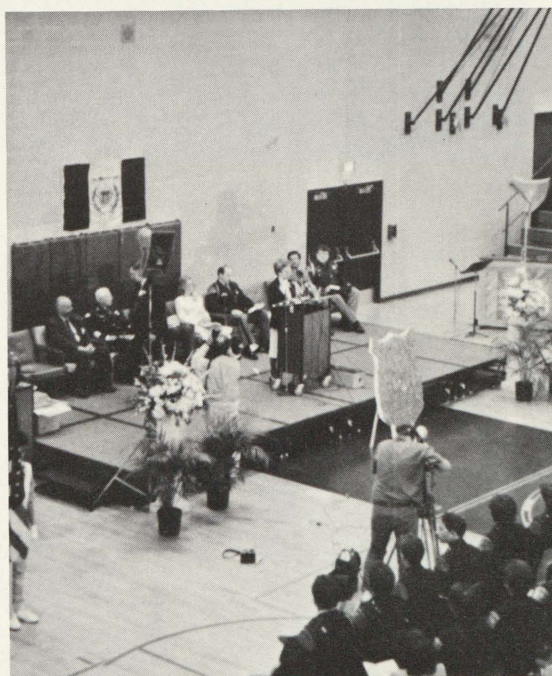

A Coast Guard helicopter visited the high school.

There has been a major dispute this year on whether or not Freeland would be a good place for a prison site. Tittabawassee Residents Against the Prison (T.R.A.P.) demonstrated and petitioned against the prison's site being in Freeland. The major problem with the suggested site is its close proximity to Freeland Elementary School, a residential area, and the airport. A second site located northwest of Freeland has been proposed. A decision has not been made.

South Africa continues to be torn apart by Apartheid. This year saw the withdrawal of many companies from South Africa as a form of protest over the situation.

The National Police Assembly.

SPORTS . . .

This year in sports, the Edmonton Oilers defeated the Philadelphia Flyers to win the Stanley Cup in hockey.

In baseball, the New York Mets conquered the Boston Red Sox to win the World Series.

The New York Giants soundly demolished the Denver Broncos to win Superbowl XXI.

In the "Fight of the Century", Sugar Ray Leonard came out of retirement to box Marvelous Marvin Hagler for the World Middleweight Title.

Alysheba was this year's winner of the Kentucky Derby. He went on to compete in and won the Preakness but was deprived of the five million dollar Triple Crown winnings when he lost the Belmont Stakes.

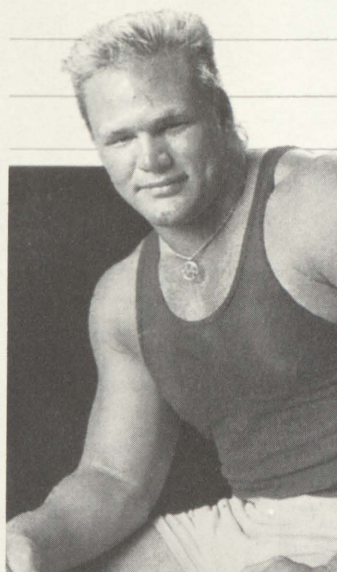

After losing the America's Cup last time to Australia, the Stars and Stripes sailed through to beat the Kookaburra III. The American title was returned home.

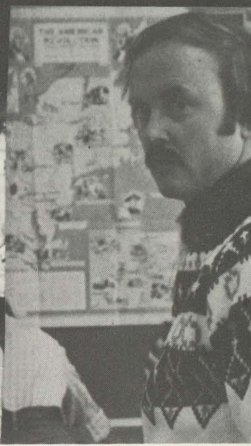

Locally, the Michigan Wolverines were overpowered as the Arizona Sundevils went on to win the Rose Bowl.

The Pistons made it to the semi-finals of the Eastern Conference where they were beaten by the Boston Celtics in a close 4-3 series.

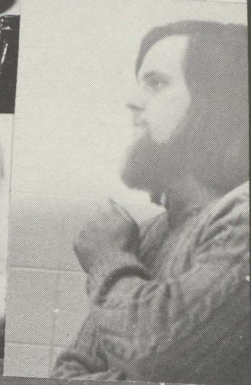

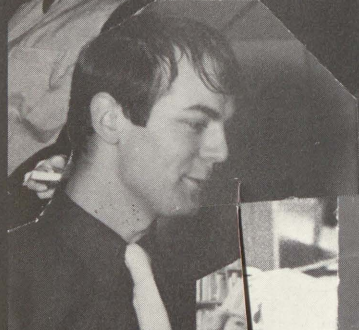

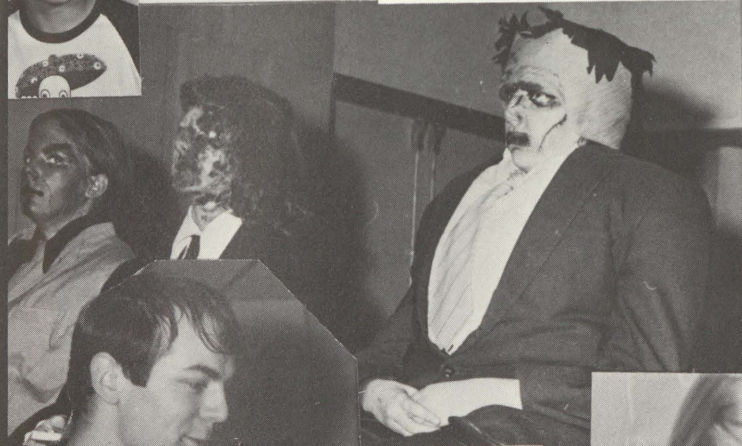

The Detroit Redwings made it to the final four but were defeated by the Edmonton Oilers in NHL action.

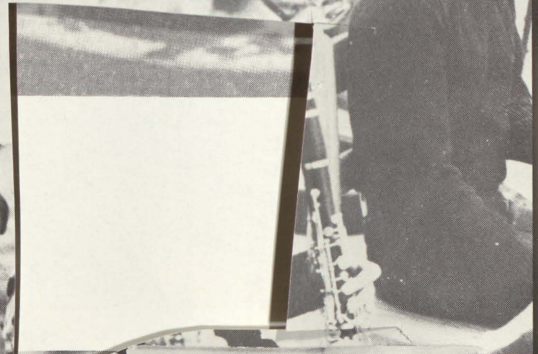

The war on drugs got a little tougher this year, especially in the sports world. Brian "Boz" Bosworth of the Oklahoma Sooners was suspended from the Orange Bowl for use of steroids. Len Bias died of an overdose of cocaine after he was picked by the Boston Celtics. This was a major upset in the basketball world.

ROUGH LAYOUT

COPY

ROUGH LAYOUT

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slightly textured appearance and some minor discoloration or shadows, particularly towards the edges. The top edge of the paper is slightly irregular, suggesting it might be part of a bound notebook or folder.

NOTE: Colored illustrations, calling cards, letterheads, telephone directory art and newspaper clippings are not acceptable.
